Dear Jim,

The Chattanooga Girls Leadership Academy is thriving today thanks to visionary leaders in the community who believe education has the power to transform lives. We are deeply grateful for the In Kind gift of 120 radio spots on WJTT, WMPZ, WPLZ, and 3 Full Page Pulse Ads with a fair market value listing of \$15,000. CGLA is a registered 501(c) (3) non-profit organization (EIN 26-3492860).

This year we welcomed 326 young women and opened this seventh school year with much to celebrate. Our students have made great strides in demonstrating their solid academic aptitude, and every year they arrive with greater confidence and belief that they are smart, vibrant, and talented students who can change the world.

Each year, the building blocks of a successful school and program are being established, and with partners like you, we will continue to provide an outstanding education to the young women of CGLA. Thank you for your gift and for believing that every girl is worthy of the opportunities a first-class education will provide her.

Sincerely,
